Gentlemen:

In looking over our Club-List we find that we never had the opportunity to quote on your list of periodicals.

We are supplying a great many of larger Clubs in this city and all over the country and should think it would be to our mutual benefit if you will give us a chance.

We are sending you to day under separate cover our latest (1914) catalogue in which you will find on page 33 - 39 a complete list of American periodicals and also the most important Foreign papers.

We can also supply any other American or Foreign paper not mentioned in our list.

Hoping that you will favor us with an answer we remain

Yours respectfully

The International News Company
